

Omar Abdulghani

Brand Experience, UX/UI & IT-Driven Solutions

Creative strategist with a Bachelor's degree in **International Creative Business**, based in the Netherlands, combining **UX/UI design**, **branding**, and **digital marketing** with a foundation in **Information Technology**. Skilled at transforming research and strategy into **concept-driven, user-centered solutions**, with hands-on experience delivering projects for organizations such as Patronaat, Amstelhof, and De FilmHallén. Bringing **creativity**, **structured problem-solving**, and **cross-cultural perspective** to help brands innovate and create meaningful experiences.

Core Strengths

- Concept Development • Brand Activation • UX/UI Design • Creative Strategy
- Digital Marketing • Vibe Coding & AI Prototyping
